

# CLICKTOOLS

by CallidusCloud

## Overview

On the 11th March 2015, an emergency release was issued to correct the following bugs.

## Maintenance update

The following fixes are being applied:

Bug	Comment
	<b>Corrected in Clicktools interface only</b>
#4569	Users are now able to view uploaded documents in Analyzer
	<b>Corrected in both the Clicktools and SURVE interfaces</b>
#4561	HTML Source Button is no longer stripping out custom styling in Builder editor and Email Templates.
